

OFFICE OF THE MAYOR
ROCHELLE ROBINSON

Proclamation

Proclaiming April 30th West Georgia Spay Neuter Clinic (WGSNC) Affordable Spay/Neuter Day

WHEREAS, our animal shelters, humane societies, and animal rescues in the Douglasville area are overwhelmed with unwanted animals and consequently have high euthanasia rates; and

WHEREAS, residents can help keep pets out of the local shelters and prevent unnecessary euthanasia with affordable spay and neuter services; and

WHEREAS, West Georgia Spay Neuter Clinic (WGSNC) is a non-profit organization that was established to provide residents with affordable, life-saving spay and neuter surgery for their beloved pets; and

WHEREAS, WGSNC understands that Douglasville residents and all pet owners strive to provide their pets with proper care but find it difficult financially to locate affordable resources; and

WHEREAS, no domestic animal should have to endure any preventable reproductive-related illness due to the lack of affordable spay and neuter services; and

WHEREAS, WGSNC urges residents struggling to provide essential spay and neuter surgery for their pets to inquire about affordable methods within their community,

NOW, THEREFORE, I, Rochelle Robinson, Mayor of the City of Douglasville, and on behalf of the Douglasville City Council and citizens of the City, do hereby acknowledge the accomplishments of the 100,000 spay and neuter surgeries performed at West Georgia Spay Neuter Clinic and hereby proclaim April 30th as WGSNC Affordable Spay/Neuter Day in Douglasville, GA.

SO PROCLAIMED this 30th day of April 2024.

In witness whereof, I have hereunto set my hand and caused this seal to be affixed.

Rochelle Robinson
